CERTIFICATE OF MAILING BY EFS-WEB FILING

I hereby certify that this paper was filed with the Patent and Trademark Office using the EFS-WEB system on this date: May 15, 2008

Applicants wish to bring to the Office's attention a Notice of Allowance that was issued in connection with co-pending and commonly owned application USSN 10/579,545, filed on May 16, 2006 (along with what appears to be the Examiner's search results from USSN 10/579,545). Applicants respectfully request that consideration of the above-discussed document be acknowledged on this Statement or in the next written action or communication from the Office.

Applicants also wish to bring to the Office's attention that Claims 1-7 and 9 in commonly owned, co-pending USSN 10/575,522 stand rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 1-10, 12, and 14 of the present application in view of Xue et al. U.S. Pre-Grant Publication 2006/0252751. Copies of the two Office Actions issued in connection with USSN 10/575,522 are included with this Statement. Applicants respectfully request that consideration of the above-discussed documents be acknowledged on this Statement or in the next written action or communication from the Office.

This statement is being filed after a first Office action on the merits, but before receipt of a final Office action or a Notice of Allowance. The fee for \$180.00 is being paid concurrently with the Electronic Filing System (EFS). Please apply any other charges or credits to Deposit Account No. 06-1050, referencing Attorney Docket No. 06275-517US1.

Respectfully submitted,

Date: May 15, 2008
